The Charmaine Neville Band, Featuring Reggie Houston At The New Orleans Jazz & Heritage Fest!

Orleans history. So from the bottom of our hearts... Bon temps route!

[The Charmaine Neville Band](#), featuring Reggie Houston, will be performing from 3:45 - 4:55pm in The Jazz Tent.

This gig is particularly nostalgic for Reggie because he considers the Jazz Tent his stage-- see, Reggie's first job at Jazz Fest back in 1972 was as the assistant stage manager of the Jazz Tent stage, and over the next 10 years, he and the staff established a reputation for The Jazz Tent having some of the coolest acts at Jazz Fest. Over the past 30+ years, Reggie's played that stage more than a few times with bands like The Survivors, and he's thrilled to be returning to The Jazz Tent this year with his homegirl Charmaine Neville & the band!

Before moving to Portland, Reggie spent many years as a staff member and performer for [The New Orleans Jazz & Heritage Festival](#). But this year more than ever, jazzfest is a testament to the strength and spirit of New Orleans and is sure to be one of the most memorable gatherings in New Orleans history.
